Object: Declaration.

With reference to your request of 19/10/2009 we wish to inform you that the company "Acque del Chiampo Spa" is a stock company with public capital, which manages the integrated water service to 10 municipalities belonging to the ATO "Valle del Chiampo". Among the main activities related to Integrated Water Service's there is also the management of sewage treatment plants to residential and industrial wastewater (water purifier plant of Arzignano, Montecchio Maggiore and Lonigo). The treatment plant in Arzignano was designed in the early 1970's to ensure the purification of sewage to the estimated 40,000 civilian habitants and industrial wastewater for about 160 tanneries directly connected within 40 kilometers of the industrial sewage. For several years the Acque del Chiampo Spa has achieved the following certifications:

- UNI EN ISO 9001:2000;
- UNI EN ISO 14001: 2004;
- OB OHSAS 18001;
- Certificate of Excellence.

It is also declared that the tannery company "Centomo Srl" located in via Arzignano, 5 in the municipality of Chiampo (Vicenza) is connected to the industrial sewage and therefore the type of industrial waste from the tanning products are delivered directly to the centralized sewage system of Arzignano.

The Centomo Srl company is regularly authorized, meets and complies with all applicable environmental standards.

Best regards.
